Divest

- ✓ Change to ethical, fossil-fuel free investments and superfunds.
- ✓ Change from banks who invest in fossil fuels.
- ✓ Check out [MarketForces](#)

Install Solar

- ✓ Install solar panels (and batteries) when possible. Use appliances eg dishwasher, washing machine during the day to minimise night time use of coal-fired power.

Plant Trees

- ✓ As many native trees as you can to support the biodiversity of our wildlife.
- ✓ Join your local Landcare group or seek others with an active tree-planting program. Get out there when you can, and when you can't support others who do so.

Electric Vehicles

- ✓ Buy an EV if you can afford it.
 - ✓ Consider a second hand EV or Hybrid
 - ✓ Build workplace fleets of EVs
 - ✓ Electrify all vehicles and tools that use fossil fuels.
- Check out latest information at [Car Advice](#).

Join a Campaign

- ✓ Get involved in Campaigns. Support them with your energy and donations.
